

Essays 1958–1962 on Atomic Physics and Human Knowledge

The Philosophical Writings of Niels Bohr · Volume III

Niels Bohr

The Philosophical Writings of Niels Bohr, Volume III.
Woodbridge, Conn.: Ox Bow Press, 1987. Reprint of Interscience
Publishers, New York 1963.

Contents

Quantum Physics and Philosophy – Causality and Complementarity	3
The Unity of Human Knowledge	4
The Connection Between the Sciences	5
Light and Life Revisited	6
The Rutherford Memorial Lecture 1958	7
The Genesis of Quantum Mechanics	8
The Solvay Meetings and the Development of Quantum Physics	9

Quantum Physics and Philosophy — Causality and Complementarity

1958

First published: R. Klibansky (ed.), *Philosophy in the Mid-Century: A Survey*, La Nuova Italia Editrice, Firenze 1958, pp. 308–314

In this edition: Ox Bow Press, 1987, pp. ??–??

The Unity of Human Knowledge

1960

First published: Revue de la Fondation Européenne de la Culture, July 1961, pp. 63–66

In this edition: Ox Bow Press, 1987, pp. ??–??

The Connection Between the Sciences

1960

First published: Journal Mondial de Pharmacie 3 (1960) 262–267

In this edition: Ox Bow Press, 1987, pp. ??–??

Light and Life Revisited

1962

First published: ICSU Review 5 (1963) 194–199

In this edition: Ox Bow Press, 1987, pp. ??–??

The Rutherford Memorial Lecture 1958

1958/1961

First published: Proceedings of the Physical Society 78 (1961) 1083–1115

In this edition: Ox Bow Press, 1987, pp. ??–??

The Genesis of Quantum Mechanics

1961

First published: Essays 1958–1962 on Atomic Physics and Human Knowledge, Interscience Publishers, New York 1963, pp. 74–78 (first printed there)

In this edition: Ox Bow Press, 1987, pp. ??–??

The Solvay Meetings and the Development of Quantum Physics

1961

First published: *La théorie quantique des champs*, Douzième Conseil de physique, Université Libre de Bruxelles, 9–14 October 1961, Interscience Publishers, New York 1962, pp. 13–36

In this edition: Ox Bow Press, 1987, pp. ??–??
