

Causality and Complementarity: Supplementary Papers

The Philosophical Writings of Niels Bohr · Volume IV

Niels Bohr

The Philosophical Writings of Niels Bohr, Volume IV.
Ed. Jan Faye and Henry J. Folse. Woodbridge, Conn.: Ox Bow Press, 1998.

Contents

Address at the Student Jubilee 1903–1928 ⟨?⟩	3
Chemistry and the Quantum Theory of Atomic Constitution (Faraday Lecture)	4
Quantum Mechanics and Physical Reality	5
Can Quantum-Mechanical Description of Physical Reality be Considered Complete?	6
Causality and Complementarity	7
Properties of Atomic Nuclei	8
The Quantum of Action and the Atomic Nucleus	9
Analysis and Synthesis in Science	10
The Causality Problem in Atomic Physics	11
Recent Investigations of the Transmutations of Atomic Nuclei	12
Danish Culture: Some Introductory Reflections	13
On the Problem of Measurement in Atomic Physics	14
On the Notions of Causality and Complementarity	15
Atoms and Our Knowledge	16
Open Letter to the United Nations	17
Physical Science and the Study of Religions	18
Physical Science and Man's Position	19
Appendix: Einstein, Podolsky and Rosen	20

Address at the Student Jubilee 1903–1928 ⟨?⟩

1928

First published: ⟨confirm against Ox Bow vol. IV⟩ Tale ved 25-års studenterjubilæum, 21. september 1928

In this edition: Ox Bow Press, 1998, pp. ??–??

Chemistry and the Quantum Theory of Atomic Constitution (Faraday Lecture)

1932

First published: ⟨confirm against Ox Bow vol. IV⟩ Foredrag for Chemical Society, Salter's Hall, 8. maj 1930. *J. Chem. Soc.* (1932) 349–384

In this edition: Ox Bow Press, 1998, pp. ??–??

Quantum Mechanics and Physical Reality

1935

First published: ⟨confirm against Ox Bow vol. IV⟩ Brev til redaktøren. *Nature* 136 (1935) 65

In this edition: Ox Bow Press, 1998, pp. ??–??

Can Quantum-Mechanical Description of Physical Reality be Considered Complete?

1935

First published: ⟨confirm against Ox Bow vol. IV⟩ *Phys. Rev.* 48 (1935) 696–702

In this edition: Ox Bow Press, 1998, pp. ??–??

Causality and Complementarity

1937

First published: ⟨confirm against Ox Bow vol. IV⟩ Foredrag ved 2. Internationale Kongres for Videnskabens Enhed, juni 1936. *Naturens Verden* 21 (1937) 113–122

In this edition: Ox Bow Press, 1998, pp. ??–??

Properties of Atomic Nuclei

1936

First published: ⟨confirm against Ox Bow vol. IV⟩ Foredrag 12. august 1936 ved det nordiske Naturforskermøde, Helsinki. *Fysisk Tidsskrift* 34 (1936) 186–195

In this edition: Ox Bow Press, 1998, pp. ??–??

The Quantum of Action and the Atomic Nucleus

1938

First published: ⟨confirm against Ox Bow vol. IV⟩ Festschrift for Max Planck på 80-årsdagen, 17. maj 1938. *Fysisk Tidsskrift* 36 (1938) 69–84; tysk original *Ann. d. Phys.* 32 (1938) 5–19

In this edition: Ox Bow Press, 1998, pp. ??–??

Analysis and Synthesis in Science

1938

First published: 〈confirm against Ox Bow vol. IV〉 *International Encyclopedia of Unified Science* 1 (1938) 28

In this edition: Ox Bow Press, 1998, pp. ??-??

The Causality Problem in Atomic Physics

1938

First published: ⟨confirm against Ox Bow vol. IV⟩ Foredrag ved den internationale konference i Warszawa, 30. maj–3. juni 1938. *New Theories in Physics*, International Institute of Intellectual Co-operation, 1939, pp. 11–30

In this edition: Ox Bow Press, 1998, pp. ??–??

Recent Investigations of the Transmutations of Atomic Nuclei

1939

First published: 〈confirm against Ox Bow vol. IV〉 Foredrag i Selskabet for Naturlærens Udbredelse, 6. december 1939. *Fysisk Tidsskrift* 39 (1941) 3–32

In this edition: Ox Bow Press, 1998, pp. ??–??

Danish Culture: Some Introductory Reflections

1941

First published: ⟨confirm against Ox Bow vol. IV⟩ *Danmarks Kultur ved Aar 1940*, Det Danske Forlag, København 1941–43, Vol. 1, pp. 9–17

In this edition: Ox Bow Press, 1998, pp. ??–??

On the Problem of Measurement in Atomic Physics

1946

First published: ⟨confirm against Ox Bow vol. IV⟩ *Festskrift til Prof. N.E. Nørlund*, Anden Del, Ejnar Munksgaard, København 1946, pp. 163–167

In this edition: Ox Bow Press, 1998, pp. ??–??

On the Notions of Causality and Complementarity

1948

First published: ⟨confirm against Ox Bow vol. IV⟩ *Dialectica* 2 (1948) 312–319

In this edition: Ox Bow Press, 1998, pp. ??–??

Atoms and Our Knowledge

1949

First published: 〈confirm against Ox Bow vol. IV〉 Foredrag i skoleradioen 1. april for danske og norske gymnasieelever. *Berlingske Tidende*, 2. april 1949

In this edition: Ox Bow Press, 1998, pp. ??-??

Open Letter to the United Nations

1950

First published: ⟨confirm against Ox Bow vol. IV⟩ J.H. Schultz Forlag, København, 9. juni 1950

In this edition: Ox Bow Press, 1998, pp. ??–??

Physical Science and the Study of Religions

1953

First published: 〈confirm against Ox Bow vol. IV〉 *Studia Orientalia Ioanni Pedersen Septuagenario A.D. VII id. Nov. Anno MCMLIII*, Ejnar Munksgaard, Copenhagen 1953, pp. 385–390

In this edition: Ox Bow Press, 1998, pp. ??–??

Physical Science and Man's Position

1955

First published: ⟨confirm against Ox Bow vol. IV⟩ Tale ved åbnings-sessionen for FN-konferencen *Peaceful Uses of Atomic Energy*, Genève, august 1955. *Ingeniøren* 64 (1955) 810–814

In this edition: Ox Bow Press, 1998, pp. ??–??

Appendix: Einstein, Podolsky and Rosen

1935

First published: ⟨confirm against Ox Bow vol. IV⟩ A. Einstein, B. Podolsky and N. Rosen, *Phys. Rev.* 47 (1935) 777–780

In this edition: Ox Bow Press, 1998, pp. ??–??
